Free Matter For the Blind:

Canes may be mailed as free matter for the blind if a competent authority has certified in writing that the individual is unable to read conventional reading material. A competent authority includes a licensed medical doctor, ophthalmologist, optometrist, registered nurse, or professional staff member of a hospital or other institution or agency. The statement is to be submitted to the post office where postage-free mailings will be made or received by the blind or visually handicapped person. The person is then considered eligible to use the free mailing privilege.
